Dear people!

Korntal, January 2012

Our second 7-Week-Block of the 2011/2012 school year is coming and we look forward to seeing you! We've put together a little more information for you:

Lectures begin on the relevant days at 8.00am and finish around 4:00pm - there will be no official semester start.

The first day of lectures will be quite intensive for our **new students!** Please be especially aware of the following information:

- There will be a **Library tour** for you after lunch (obligatory).
- At the end of the afternoon of lectures, from approx. 4.10 pm until 4.45 pm, there will be a **general introduction to studies** for you (also obligatory☺).

For **everybody**: please register with Maria Rebel rezeption@awm-korntal.de -before the teaching block begins! - for:

1. the **Lunch Special** - all seven days of a course, lunch for 27,30 € (no reimbursement for missed lunches);
2. Arrival information and room & board (where necessary).

The **Syllabi** are already posted on the website*. There you will also find the registration form. In case you have not done so already, please print it out, fill it out and return it to us! By the way, the registration deadline is 14 days before the course begins. Once this date is passed, students will receive an email confirming their registration.

The most up-to-date **Student handbook** is available from on the website. We recommend both new and "old" students to take a look. New students can already find some orientation here, e.g. on how to write a paper.

In case of questions, please feel free to get in contact with us! ☺

Blessings,

Renata Hanscamp
