

## Directions from Stuttgart Airport to Korntal - Car

- As you leave the airport head for the Autobahn (it's A 8) towards Karlsruhe/Heilbronn. Next decision comes at the Leonberger Dreieck - go towards Heilbronn/Mannheim - this is now A 81.
- Take the next exit - Feuerbach
- Stay right, turn right into another four-lane road.
- Get into the left lane.
- You'll go through a few single/simple traffic lights and then come to a major intersection.
- Go left, but stay in the right lane of the two lanes turning left (are you with me:-)???) - it says Korntal for this lane...but there are a bunch of other city names on the sign, too.
- Stay on this road - you come to a round-about. Go straight through. This is Korntaler Landstrasse
- At the next traffic light (BEFORE the tunnel) go right. This loops you up over the road you were just on - you are on Weilimdorfer Strasse
- As you get off the bridge (you are in Korntal now), take the first road to the left. - Charlottenstrasse
- Follow this road until you come to Neuhaldenstrasse on the right (up the hill) - this is a tiny road with lots of cars park alongside.
- When this road splits, take the left road up the hill again - this is Hindenburgstrasse. We are number 36 - looks like a normal apartment house from the outside, but offers a bit more once you get inside:-)...
